SIR

I have the honour to inform you that I have received an application from Sukumara Rao Chinnappa for a scholarship to enable him to study in Rao Bahadur A Narayan Sami Mudaliar's School with a view to qualify himself for employment as Sub-Overseer in the D P W in Mysore. The applicant is the youngest son of the late Mr J D P Chinnappa who was for many years Manager in this office and Photographer in the office of the Director of Archaeological

Researches He was studying in St Joseph's College in 1899 but owing to several domestic afflictions including the loss of his father he was obliged to give up his studies. He appears to be an intelligent and earnest young man and may succeed in passing an examination which will qualify him for employment in the subordinate service of the Public Works Department. Under these circumstances I beg to recommend that a scholarship of Rs 10/- a month may be granted to the applicant for a period of two years from 1st June 1902 which will be a help not only to the applicant but to the whole family which is reduced to straitened circumstances by the loss of its earning members.

The scholarship may be sanctioned from the savings of Agricultural Scholarships which were not utilised this year

I have the honour to be,
Sir,
Your most obedient servant,
H G Bradda
Inspector General
